## Buy-In/Entry Fee Conditions:

### Refund

The buy-in and entry fee, if any, will be refunded in the event that a Tournament does not proceed or where, prior to the commencement of a particular Tournament, it is determined that an entrant is ineligible to enter that Tournament. The buy-in and entry fee may be refunded in the event that an entrant would be playing in more than one (1) event running concurrently.

### Withdrawal

If an entrant withdraws from a Tournament/Satellite prior to the scheduled Tournament/Satellite date, the buy-in only is refundable or may be transferred to another person if the entrant has not already entered the Tournament and is in accordance with the transfer section below. A refund will not be granted if a person is or becomes excluded from the Promoter.

Entrant withdrawal does not apply to an entry won in a Satellite Tournament, except upon written evidence in a form acceptable to Crown of:

- a) The death of the entered person. In this case, the amount already paid will be refunded to the entered person's estate upon presentation of proper legal documentation by the estate.
- b) The death of an immediate family member of the entered person, or a hospital stay of the entered person or an immediate family member. In these instances, the buy-in and entry fee will be held by Crown and transferred to the same Tournament to be held in the subsequent year.
- c) The entry won in a Satellite is won by an entrant already entered into that Tournament. In this instance, if the entrant has bought in directly to the Tournament, they will have the buy-in and entry fee refunded. If they had previously won an entry in a Satellite, any subsequent entries won become transferable in accordance with the transfer section below.

### Transfer

The Tournament Director has the discretion to transfer an entrant's buy-in and entry fee to the same or similar Tournament to be held in the subsequent year, if an entrant's circumstances are considered to warrant this action.

### Disqualification

The buy-in and entry fee, if any, will not be refunded to an entrant who is disqualified from a particular Tournament and that entrant's Tournament chips will be taken out of play.

### Substitute

At the discretion of the Tournament Director, an entrant who has not commenced play may transfer their entry to a substitute, provided that person is entitled to enter the Tournament and they have not already entered the Tournament. Where a substitute is nominated, entry into the Tournament will be transferred to the substitute and the substitute will act on behalf of the entrant, commencing play in the entrant's stead and using the applicable bank of Tournament chips allocated to the entrant.

### Forfeiture

At the close of the registration period of a Tournament/Satellite, all entrants will have the option to forfeit their bank of Tournament Chips so as to allow them the ability to re-enter that specific Tournament/Satellite. If an entrant does elect to forfeit their bank of Tournament Chips, the Tournament Director must be informed prior to that entrant re-entering the Tournament/Satellite, and their remaining Tournament Chips will be removed from play.

## Tournament Format:

### 1. Tournament Director

The Promotor will appoint a Tournament Director who must be present for the duration of the Championship. The Tournament Director may, at their discretion, appoint one (1) or more deputies whom may act as designees of the Tournament Director.

Particular Tournaments/Satellites for the Championship will be conducted in accordance with the Tournament Structure (Annexure A) and Tournament Schedule (Annexure B), including prize pool (buy-ins), commission fees and add-ons available at [www.crownmelbourne.com.au/casino/offers/aussie-millions](http://www.crownmelbourne.com.au/casino/offers/aussie-millions).

The Tournament Director reserves the right to alter the start date and/or time of any Tournament or Satellite. All entrants will be given reasonable notice in the event that the start date and/or time of any Tournament is altered.

### 2. Tournament and Satellite Format

All Tournaments and Satellites as detailed in the Tournament Structure (Annexure A) will consist of one or more Rounds/Sessions and/or a Final and will be played on one or more tables; the number of tables being determined by the number of entries received for a particular Tournament/Satellite.

- **Multi-Table Satellites:** Any remaining prize money will be awarded as a single cash prize.
- **Flips Satellites:** Flips Satellites are a single-table, No Limit Holdem Satellite, where one (1) in five (50 or one (1) in ten (10) entrants will qualify for entry into the Main Event and Events.
  - One (1) hand will be dealt; all cards face up. Entrants will not be permitted to make decisions.
  - 100% of funds are returned to prize pool.

Prior to the commencement of the Tournament/Satellite, entrants may be provided with instruction on how to play the game. This instruction may comprise a demonstration by the Dealer and/or participation in a number of 'practice hands'.

The Tournament Director may, for any particular Tournament/Satellite, determine if there will be any repechage, catch-up or secondary Rounds/Sessions.

- **Milestone Satellites:**
    - Entrants are responsible for notifying the Dealer or Tournament Supervisor when they reach the applicable Total Milestone chip count.
    - If an Entrant is dealt into a hand after reaching the Milestone, the hand must be completed before any prize is awarded. Should the Entrant's chip count fall below the Milestone at the conclusion of that hand, they will not be eligible for the prize until the Milestone is again reached.
    - A Tournament Director must verify the chip count before any Milestone prize is awarded. Entrants may request a chip count between hands.
    - Assisting another Entrant by counting chips or notifying them of reaching a Milestone is permitted.
    - All tournament chips must remain in full stacks of twenty (20) where possible.
    - Any form of collusion, including the removal of tournament chips from the table, may result in penalties up to and including disqualification.
-

---

**Tournament  
Format:**

**Table and Seat Allocation**

- 2.1 The names of all entrants for a particular Tournament/Satellite will be drawn by ballot or randomly generated by computer to determine each entrant's table number and playing position.
- 2.2 The number of entrants allocated to any one (1) table will be at the discretion of the Tournament Director.
- 2.3 On a particular table, position 1 is located to the immediate left of the Dealer, with position numbers ascending in a clockwise order.
- 2.4 A draw for the Dealer button will be held at the beginning of each Tournament/Satellite.
- 2.5 Seating assignments may be altered to ensure that entrants who are connected by family or association play at different tables or are separated on the final table. **Wagers**
- 2.6 All wagers will be made with Tournament chips. Tournament chips in the possession of an entrant at the conclusion of a particular Tournament/Satellite will remain the property of Crown.
- 2.7 Entrants in a particular Tournament/Satellite will each be allocated the same amount of Tournament chips and will be advised of the actual amount of chips prior to the commencement of the Tournament/Satellite. A starting bank of chips will be placed on the table in front of each designated playing area.
- 2.8 An entrant's bank of chips must remain on the table in full view of all participants, in stacks of 20 (twenty) same denomination chips, with the highest denomination chip the most prominent and identifiable, until each session is completed and the winner(s) is determined.
- 2.9 A bank of chips will not be supplemented or removed from the table by an entrant during the conduct of tournament play, unless in the form of a re-buy or add-on.
- 2.10 Where an entrant is re-seated in accordance with clause 3 (Elimination) of this section, they must transfer their bank of chips so that the chips remain in clear view of the Dealer (or above) and the Tournament/Satellite entrants. Failure to do so may result in the chips being forfeited.

**Re-buys and Add-ons**

- 2.11 Where a Tournament/Satellite allows re-buys, entrants in that Tournament/Satellite may purchase an additional bank of chips when an entrant's chip bank falls below a predetermined amount. The additional bank of chips will be equivalent to the original starting bank described in the Tournament Structure (Annexure A).
  - 2.12 Re-buys will only take place for a predetermined period of time during a Tournament/Satellite.
  - 2.13 The length of the re-buy period and the number of re-buys and add-ons will be determined by the Tournament Director and announced prior to the commencement of that particular Tournament/Satellite.
  - 2.14 Where the Tournament/Satellite allows add-ons, all entrants in that particular Tournament/Satellite may purchase an additional bank(s) of chips at the end of the re-buy period for the amount stipulated in Tournament Structure (Annexure A).
-

♠ ♥ POKER CHAMPIONSHIP 2026 ♦ ♣

---

## Tournament Format:

2.15 If an entrant has exhausted their bank of chips and wishes to re-buy, they must re-buy prior to the commencement of the next round of play, or it will be deemed that they have been eliminated from the Tournament/Satellite.

### Time to Act

2.16 Entrants may request to 'put the clock' on another entrant. Subject to the request being reasonable, the Tournament Director will call "time" and the entrant in question will have twenty five (25) seconds to act. If action has not been taken by the time twenty five (25) seconds has elapsed, there will be a five (5) second countdown. If an entrant has not acted on their hand by the time the countdown has elapsed, the hand will be dead if facing a bet or will be a check if not facing a bet. All wagers made by that entrant will remain in the pot(s). The Tournament Director may also call "time" on an entrant, if deemed necessary.

2.17 If the Tournament Director determines that an entrant is deliberately being slow to act on more than one (1) occasion in the same Tournament/Satellite, that entrant may be given a maximum of ten (10) seconds to act for all subsequent hands.

### Betting Limits

2.18 The betting limits, together with the timing of increases in blinds and/or antes, will be determined by Crown and announced to all entrants prior to the commencement of the Tournament/Satellite.

2.19 In Limit games; a single oversize chip will constitute a call if there is no announcement or indication of intent to raise.

2.20 In No Limit or Pot Ratio games; a single oversize chip without an announcement or indication of intent to raise will:

- a. In the first betting round; constitute a call; and
- b. In subsequent betting rounds; if it is the first bet of that round, it will constitute the size of the oversize chip bet or the maximum bet permitted within the betting limits. If it is not the first bet of the round, it will constitute a call.

2.21 In all games; if an entrant makes a raise of 50% or more of the previous bet without an announcement or indication of intent, they will be required to make the raise up to the minimum raise permitted. In all games; unless going 'all in', if an entrant makes a raise of less than 50% of the previous bet or raise without an announcement or indication of intent, it will be taken as a call.

2.22 Where an entrant bets unannounced with two (2) chips of the same denomination totalling more than the amount to call and less than the minimum amount to raise, it is only a call. In this instance, clause 2.9 (above) does not apply.

2.23 In all games; if an entrant makes a bet of less than the amount required to call, they will be required to make up the difference or fold and surrender the initial bet, which then forms part of the pot.

2.24 In No Limit or Pot Ratio games; if an entrant states the intent to raise and bets with an oversize chip, the raise will be the maximum amount allowable up to the size of that chip.

2.25 In Limit games; there will be a limit of three (3) raises for each betting round even when two (2) entrants remain in a hand. Once the Tournament/Satellite, however, is down to the last two (2) entrants, there is no limit to the number of raises.

# AUSSIE MILLIONS

♠ ♥ POKER CHAMPIONSHIP 2026 ♦ ♣

---

## Tournament Format:

- 2.26 In No Limit or Pot Ratio games; when raising, an entrant must either bet the amount of the raise in one 'clean' motion or state the raise amount. By stating the intent to raise, an entrant protects his/her right to raise, but the raise must still be completed as per the previous sentence guidelines.
- 2.27 Verbal declarations in turn are binding. Verbal declarations or action out of turn may also be binding:
- If an entrant bets, raises or calls out of turn, the bet stands
  - If an entrant who should have acted prior to the out of turn entrant chooses to bet more than the out of turn bet, the entrant who acted out of turn can either make up the difference to call, or take back his bet and fold, or re-raise.
  - An entrant who checks out of turn forfeits all rights to bet or raise.
- 2.28 Only in Pot Limit and Half Pot games may an entrant request the Dealer to inform him/her of the pot size. In No Limit on request the pot may be spread to increase chip visibility.

## General

- 2.29 At the Tournament Director's discretion, any Tournament/Satellite can have 'hand-for-hand' play introduced and removed where deemed appropriate. In the event of an all-in and call during 'hand-for-hand' play the cards of all players in the hand should remain face down. Dealers should not deal additional cards until instructed. When dealing 'hand-for-hand' the Tournament Director will select from one of the below two options:
- OPTION 1
- No additional time will be added back onto the clock and the existing blind level will be counted down as normal;
  - At the end of the following blind level, the clock will be paused and remain paused until 'hand-for-hand' is no longer required; and
  - In any event, the blinds will only ever increase once.
- OPTION 2
- A maximum of 3 minutes per hand will be deducted from the clock. Blinds continue to increase as time elapses off the clock and new levels are reached.
- 2.30 At the Tournament Director's discretion, Dealers may deal 'round-for-'round when the number of entrants remaining exceeds places paid by at least two (2).
- 2.31 All cards will be turned face-up once an entrant is 'all-in' and all action is complete.
- 2.32 In the event of a split pot; where there is an odd chip, the odd chip will be broken down to the lowest denomination chip in play on the table at that time. If, after the odd chip has been broken down, an amount remains that cannot be equally divided, that remaining amount will go to the high hand. If there are two (2) or more high or low hands of the same value:
- In Flop games; the remaining amount will go to the nearest active hand to the left of the button.
  - In Stud games; the remaining amount will go to the highest card by suit.
  - In Hi-Lo split games; the pot will be split as evenly as possible.
-

---

**Tournament  
Format:**

- 2.33 A hand may be ruled retrievable by the Tournament Director.
- 2.34 When it is time to 'colour-up' chips (remove the smallest denomination chips from the table), the chips will be 'raced-off' with a maximum of one chip going to any one entrant. The chip race always starts in the No 1 Seat. An entrant cannot be 'raced-out' of a Tournament/Satellite. In the event that an entrant loses the 'race off' and has no chips remaining, they will be given one chip of the smallest denomination in play, so that they can continue to play.
- 2.35 Subject to clause 2.36 an entrant who wants to make a phone call must step away from the table. Should an entrant step away from the table during a hand, that hand is dead.
- Players with live hands may not interact with or operate an electronic or communication device.
  - Mobile phones or other devices must not rest on the felt of the table under any circumstances and may also be restricted from placement on the rim of the table.
  - Betting apps, charts, and other poker strategy tools may not be used in the tournament area. Nor may players receive or use poker strategy data from another person or source.
- 2.36 Unless being re-seated in accordance with clause 3.3, an entrant must be at the table by the time the Dealer has completed the initial deal, or his/her hand is dead.
- 2.37 There will be no foreign chips allowed on the table except for a maximum of one (1) card protector per entrant.
- 2.38 When new betting limits are announced, the limits apply from the next hand. A hand begins when the Dealer:
- 'Riffles' for the first time for a manual shuffle; or
  - Presses the green button on an automated shuffle machine.
- If a new level starts during the dealer push, the incoming dealer will deal one hand at the prior level.
- 2.39 On any Final Table, the use of audio headphones, iPods or other similar electronic devices will not be permitted.
- 2.40 In the event that Tournament play extends beyond a reasonable time during a gaming day, the Tournament Director may elect to suspend the Tournament/Satellite and continue it the next gaming day or at a time to be agreed.
- 2.41 When only two (2) entrants remain in a Tournament/Satellite, the button will be on the small blind. The button will be adjusted so that no entrant will pay the big blind twice in succession

**3. Elimination**

- Once an entrant has lost their bank of chips and exhausted all opportunities to re-buy or add-on (as applicable) and is subsequently eliminated from a Tournament/Satellite, they will not be permitted to re-enter that particular Tournament/Satellite.
  - As entrants are eliminated from the Tournament/Satellite, the number of tables may be reduced at the discretion of the Tournament Director.
-

**Tournament  
Format:**

- 3.3 To maintain balanced tables throughout the duration of a Tournament/Satellite, entrants may be re-seated at the discretion of the Tournament Director. Unless deemed otherwise by the Tournament Director, the following procedure will be applied:
- A difference of two (2) entrants between Tournament/Satellite tables is acceptable. During the final stages of a particular Tournament/Satellite a difference of two (2) entrants will be balanced as soon as is practicable.
  - On any table which is three (3) or more entrants short, creating a difference of three (3), play will be suspended once the blinds are impacted until that table has been balanced.
  - For all games except Stud; tables will be balanced by moving an entrant to be big blind next from the table to be reduced, to the worst position on the table that requires balancing, including single big blind if available, even if that means the seat is big blind twice.
  - In Stud games; entrants will be high carded on the table to be reduced and the entrant(s) with the highest card will move to the lowest empty seat number on the table requiring balancing.
  - Entrants must promptly move to the table as requested or risk incurring a penalty as described in the Conduct of Play section below.
  - Where an entrant is re-seated, they will assume all rights and responsibilities of his/her new position. An entrant moving to a new table is eligible to be dealt a hand in any position, except if they are seated in between the button and the small blind.
- 3.4 In the event of more than one (1) entrant being eliminated from a Tournament/Satellite during the same round of play on the same table, places will be allocated relative to the size of the eliminated entrants' respective Tournament chip banks prior to the commencement of that particular round of play.
- 3.5 In the event of two (2) entrants being eliminated from two (2) separate tables on a corresponding round of play; those entrants will be equal in placing regardless of their Tournament chip bank at the commencement of that particular round of play.
- 3.6 In the event of three (3) entrants being eliminated from two (2) separate tables on a corresponding round of play; those entrants will be equal in placing regardless of their Tournament chip bank at the commencement of that particular round of play.

**4. Shot Clock Rules**

- 4.1. Dealers will start the Shot Clock upon the completion of the deal and reset each time the next player is to act.
- 4.2. Any bets not immediately identifiable will require the shot clock to be paused if the player next to act seeks a count and then restarted by the dealer once the bet is announced. Any Entrant considered by the Tournament Director not to be seeking a count in good faith may be required to forfeit a time bank.
- 4.3. When five seconds remain on the Shot Clock, the dealer should announce 'five (5)'.

# AUSSIE MILLIONS

♠ ♥ POKER CHAMPIONSHIP 2026 ♦ ♣

---

## Tournament Format:

- 4.4. Entrants use one (1) time bank each time the Shot Clock reaches zero (0). Entrants are not responsible for placing a time bank into the pot in real time if the amount of time bank cards remaining are clearly visible, and will turn in the corresponding amount of time banks at the completion of their action.
- 4.5. If an Entrant does not have any time banks remaining and the Shot Clock reaches zero (0), the hand will be declared dead if facing a bet or will be a check if facing no action.
- 4.6. Tournament chips must be in full stacks of twenty (20) chips and time bank cards clearly visible and, when required, fanned.
- 4.7. Intentional stalling or the overuse of time banks in unwarranted situations to gain an advantage may result in the Tournament Director reducing the Stop Clock time to act for subsequent decision-making, limiting the number of time banks used on one action and/or declaring a penalty.

## Tournament Rounds:

Please refer to Annexure A – Tournament Structure.

An Entrant who accumulates 200,000 in tournament chips ("The Milestone") or more will be awarded one Opening Event seat. Upon verification from the Tournament Director that the Entrant has achieved the Milestone, the Entrant will cease play and the total of his/her chips will be removed from play.

The Satellite will conclude when the number of Entrants remaining is equal to the number of \$2,500 seats generated, less the amount of Entrants who have previously won the prize by reaching the Milestone.
